To Whom It May Concern:

Re: ACI Century Roofing Bookkeeping

Garden Lakes HOA, Inc., has had the pleasure of working with ACI Century Roofing for the replacement of Cedar Shake Mansards with Decra on 146 2 story buildings. The project was completed on schedule with minimal concerns. Concerns were dealt with promptly by a team of dedicated and knowledgeable employees. The office staff, particularly Angelica, have been tremendous in their support and assistance. Even with a recent company move from Lake Worth to Stuart, Angelica was always able to quickly respond to any questions that we had. We still work closely with ACI Century for the on-going repair and replacement of the flat roofs. It is always a pleasure working with ACI Century.

Sincerely,

Beverley Jamason, Property Manager
On behalf of Garden Lakes HOA, Inc.
