Attn: Dottie Hernandez  
1551 NE Cardinal Ave  
Stuart, FL 34994

Dear Mrs. Hernandez,

Please accept my personal thanks on behalf of our Board of Directors and our 588 Quadplex Owners. After a thorough investigation of at least ten Roofing firms your track record stood out, as the most respected and thoroughly experienced roofing company specializing in Stone Coated Steel Roofing and Flat Roof Specialists. Our Engineers agreed that ACI's comprehensive bid met all our project specifications and beyond.

ACI started the job on time and what we projected as a two year time frame you turned into a turn key operation and shortened to only (14) months. The job is marvelous, smart crisp looking and we now have been through a major hurricane with absolutely no problems.

Your honesty and careful value Engineering suggestions were really a great asset and we are extremely pleased with the entire project of phase one. Phase two the flat roofs is also well under way and as usual on target. Thank you.

Sincerely,

Walt Schmidt, President  
Garden Lakes HOA
